## FROM THE DESK OF DCN. STEVE...

I pray all is well with you and your family and friends.

The Gospel reading today put a smile on my face. About 25 years ago, I was cleaning up my yard. I was pulling out weeds by the handfuls. *How many of us can tell the difference between a weed and plant that nourishes?* As it turned out, I could not tell the difference. And if it wasn't for my father-in-law looking over my shoulder, I would have pulled the so-called weed and been done with it. *Amazingly, what I thought was a weed turned into a 40-foot apple tree years later!*

Jesus has given us good seed, His words as our foundation. He has given us the Holy Spirit to nourish us, like water. If we accept these gifts and allow them to germinate throughout our life, we can become the wheat.

*Are we living our life to help and nourish those who need us? Do we provide an ear to listen, a shoulder to cry on, and a voice to defend those who are voiceless?*

Only God can tell a true weed from one that needs a little more time to become nourishing wheat.

If we feel we are not there yet, God has given us a lifetime to follow the correct path. We have free will and need to decide our direction in life. Just like a very small mustard seed, let our faith in God grow and let us become the largest of plants, the way God intended to us to be.

May God continue to bless you through these ever-changing times.

Much Love,

Deacon Steve and Annette

## MEET OUR NEWEST STAFF MEMBER—MAISIE!

Hello Everyone, my name is Maisie Rivera and I am the new Director of Youth & Young Adult Ministry! I am originally from Los Angeles, CA and moved to the Bay Area in 2016. I graduated this past May from the University of San Francisco, where I received a degree in Medicinal Synthetic Chemistry and a minor in Catholic Studies. I have a passion for both medicine and theology and hope to find a bridge between both fields.

I am a product of youth ministry and have been serving the Church since high school. In 2016, I had the blessing of attending World Youth Day in Krakow, Poland where I was reminded of my love for our Catholic faith, the desire to cultivate my relationship with Christ, and the desire to serve the Church as a young adult. While at USF, I was an active member at St. Ignatius Parish where I served as a volunteer Confirmation Coordinator, Youth Minister, and Parish Council Member. During these past two summers, I volunteered at Steubenville NorCal. Last year, I had the honor of serving as a summer missionary for LifeTeen International. These experiences have allowed me to witness God's beauty and grace in my life. I am constantly reminded of the joy in serving the youth, which has led my discernment to Holy Spirit!

In my free time, I love reading a good book, finding new coffee shops, and exploring the outdoors. I love camping, hiking, photography, and rock climbing! With the church reopening, I am excited to meet you all in person! Whether that would be nerding out about science, discussing ways on how I can better serve this community, or simply just talking about life, I am excited for these conversations! Until then, rest assured of my prayers for you all and please continue to pray for our youth ministry leadership team as we plan and pray for this upcoming year ahead!

Lord, you are good and forgiving. (Ps 86)

## GOSPEL

"Let them grow together until harvest; then at harvest time I will say to the harvesters, 'First collect the weeds and tie them in bundles for burning; but gather the wheat into my barn.'" (Mt 13:30b)

## GOSPEL MEDITATION

### Encourage Deeper Understanding of Scripture

Grace and sin, belief and unbelief, good and evil all exist together. While we wrestle with these two dimensions of reality inwardly, they are also witnessed in the actions and words of others. Many, all too often, beat themselves up because of their sin. We are also all too quick to pass judgment on others whom we perceive to be in error and walking down a wrong path. God does not make rash judgments, nor should we. Patience is the order of the day as is an understanding that God is ultimately the caller of the shots.

Our faith tells us that while God allows the wheat and the weeds to coexist, the wheat will always triumph. As long as we can cultivate even a little faith and a small measure of desire for God, He can produce abundant blessings and good things. Even when the weeds seem to have triumphed, there still may be a small measure of faith remaining that can be cultivated and grown. It doesn't take much! Unless a person totally allows the weeds to reign, there is always to be found at least a small measure of faith, good, light, and love. With even this small portion, God can produce abundant growth.

Admittedly, it is easy to give into the weeds, and they grow very quickly. Any gardener knows this to be true. Sometimes, the weeds even seem more attractive and vibrant. Dealing with weeds can quickly become a losing battle, and they can look healthier and grow faster than the very plants we are trying to protect. It's easy to give into them and let them win. While God will deal with all things in due time, we are responsible for keeping things in check in the short term. It is our task to keep our eyes fixed on God's presence and mercy. We are asked to avoid judgment. And, it is not our responsibility to deal with the weeds in someone else's garden, only our own. One garden is enough responsibility for anyone.

Weeds have power. We have to realize this. While they can appear attractive and healthy, they can quickly choke us off from God's presence. Our task is one of maintenance and cultivating a desire for God. Even the smallest kernel of faith can grow into something wonderful. In God's time, the eternal harvest will come, and we will no longer have to worry about the weeds.

**PRAY FOR OUR COMMUNITY**

*'Never forget that it is at the beginning of each day that God has the necessary grace for the day ready for us. He knows exactly what opportunities we shall have to sin, and will give us everything we need if we ask him then. That is why the devil does all he can to prevent us from saying our morning prayers or to make us say them badly.'*

~ Saint Jean Marie Baptiste Vianney
