## FROM THE DESK OF DCN. BERNARD...

Palm Sunday, also known as Passion Sunday, is the sixth Sunday of Lent which signifies the start of the Holiest week of the year.

It leads us through the Last Supper, Christ's crucifixion, and ends on Easter Sunday with Jesus' resurrection, which is the basis of our Christian faith.

Many biblical prophecies were fulfilled during this Holy Week. People of all Christian faiths commemorate Jesus Christ's triumphal entry into Jerusalem.

The Holy Week celebrations make present the Pascal mystery of Jesus – His Passion, Death and Resurrection. We recall the Last Supper, betrayal of Judas, Peter's denial, Jesus' arrest and trial, His humiliation and passion, His conviction and crucifixion, His death and resurrection. Jesus fulfills the Father's will. He shows true love, mercy, and forgiveness. He showed no bitterness in His words, no resentment in His mind, and no hatred in His heart. Jesus willingly accepts the cross and crucifixion for the forgiveness of sins and for our salvation.

The crowds took palm branches, went out to meet Him, and shouted: "Hosanna! Blessed is he who comes in the name of the Lord! Blessed is the kingdom of our father David that is to come! Hosanna in the highest!"

The cries of "Hosanna" are cries of praise, adoration and joy which means, "save us" or "rescue us" – very fitting because Jesus is our savior.

The palm branches are symbols of triumph, victory, and peace.

The donkey represents the humble arrival of someone in peace, as opposed to arriving on a powerful horse.

The waving of palms and laying of them on the ground is a reminder for us Christians that we welcome Jesus Christ into our hearts and are willing to follow Him.

The liturgy of Palm Sunday of the Lord's Passion, putting together Jesus' triumphant entry into Jerusalem and His Passion and Death, reflects the memorable events and high moments of our faith – our baptism, confirmation, first communion, marriage, and ordination. We celebrate and are proud of the sacraments. When life treats us well, we, too, shout, "Hosanna!"

But in a few days, what happened on Palm Sunday are easily denied on Good Friday. Our cheers will become tears as we behold our King wearing a crown, not of gold and precious stones, but of thorns. We will see our King not sitting on a throne of praise but hanging on a cross of disgrace.

Just like when our faith is tested and we are asked to carry our own cross, we protest, we reject and find ways to avoid it. When our faith and the sacraments demand that we serve, we step back and complain and detach ourselves from Christ. And similarly, too, we cry, "Crucify Him!"

May this most Holiest of Weeks convert our hearts, deepen our faith, and make us truly grateful for all that our God does to show His great and unconditional love for us all.

God Bless us all!

Dn. Bernard & Jean

## GOSPEL MEDITATION

### Encourage Deeper Understanding of Scripture

Many struggle with Jesus. Some who consider themselves faithful hail him in their churches but still struggle to figure out what to do with him on our streets. The message is somehow more palatable when it echoes pious renderings and sentiments and involves singing hosannas during worship. It becomes a bit trickier when it gets to the part about changing the way we conduct the business of our lives, becoming more sensitive to the disadvantaged, poor, and marginalized, and living as servants of our Loving Creator. Ultimately, it is a struggle between wanting to be God ourselves and letting God be God as God is. That's why it's so easy to become hypocritical. We, like those who hailed Christ as he arrived in Jerusalem and sent Christ to the cross to die, also talk out of both sides of our mouths. We entertain what suits us at the time and walk away from the rest.

Many neglect God's beautiful creation because they prefer what humans have made instead. Progress isn't seen in preserving and enhancing what God has made but replacing it with something we believe is better and more useful. The earth, flowers, and animals are all expendable if they stand in the way of the "more" we want to achieve. We seek to remove as many obstacles and hurdles as possible in search of the easiest, quickest, and most efficient path we can find. We have created drugs and laws that preserve our free choice, even though it may mean setting aside God's vision and example. Why suffer when we can easily be put to rest? Why endure insult or injury when we can retaliate, eliminate or subdue? Why accept life when it is acceptable to choose otherwise? We want to be God and resist accepting the fact that our real Creator has already given us the blueprints for the life we need to live in the Beatitudes and in the example of his Passion. We don't like being stewards and managers and really want the power to do as we wish and desire. We want to create our own way.

Where has the true, effective Christian voice been through all of the wars and violence, prejudice and unjust conquests, abuse of human beings and attempted extinctions of nationalities, the establishments of procedures and protocols that serve only a few and not the many and all of the injustices and exploitations that are a part of our human history? A few courageous prophets have stood up and out throughout all of the comings and goings of our human journey with many receiving the same fate as the Crucified One we hail this week. Some still walk among us as shining stars showing us how it really can be. How would Jesus' journey have ended if he lived life as we do? Unless we encounter the good with the bad, the just with the unjust, the grace with the sin, the glory with the cross, the death with the life we most certainly risk rendering God obsolete. After all, haven't we already convinced ourselves that we can do better?

## Divine Mercy Novena

April 2-10, 2021 | 3:00 pm

We invite the faithful to join us inside the church or via livestream in praying the Divine Mercy Novena, in anticipation of the Feast of the Divine Mercy, which we will celebrate with Mass on Sunday, April 11 at 3:00 pm. You may bring images of the Divine Mercy to be blessed after Mass.

Jesus asked St. Faustina that the Novena be prayed beginning on Good Friday. In her diary, St. Faustina noted that Jesus told her: "On each day of the novena you will bring to My heart a different group of souls and you will immerse them in this ocean of My mercy ... On each day you will beg My Father, on the strength of My passion, for the graces for these souls."
